A great opportunity has presented itself for a lucky investor to get their hands on this 4 bedroom property nestled on a large 741m² CORNER block. The main residence needs some patch and paint and a bit of a garden tidy up but is a spacious family home with generous sized bedrooms. As you enter the home there is a large, cozy living space with an ornate fireplace and a split system air conditioner. Through to the kitchen is where you would have your meals table. The kitchen has a lot of cupboard space and another split system air conditioner. The master bedroom and bedroom 2 come complete with a BIR/shelving and there are another two rooms that can be used as bedrooms or an office space. The bathroom has a separate shower and bath and there is an indoor laundry. The property is positioned further back on the block. Close to Shops, Schools and Public Transport. This is a case of first come, first served so give me a call today to secure your viewing or make an offer! Nicola Lee - 0413 879 151
