\$960,000

Boasting exceptional scale, grand proportions, and an uncompromising commitment to quality, this modern double-storey executive residence presents the ultimate in luxurious family living in a coveted Sunbury Fields location. Impressive double entry doors open to a wide hall that introduces sophisticated oversized interiors, with the ground floor of the home featuring a generous lounge – ideal as a home theatre; and open plan living and meals areas beyond, beautifully catered to by the extraordinary kitchen. A culinary masterpiece showcasing quartz surfaces to the deep-set island/breakfast bar and benchtops, the kitchen is lit by a trio of cloud pendants that exude softness, setting the perfect tone for relaxation and entertainment. The kitchen also includes an inbuilt wine rack and stainless steel appliances including a Bosch dishwasher and a 900mm oven/cooktop, with its streamlined elegance continuing to the butler's pantry. Entertaining continues outside, to an alfresco entertaining area set in the gorgeous, low maintenance landscaped garden. Also to this level is a powder room, a large study/home office, spacious laundry with walk-in linen, and a full under-stair storage room. Natural light floods the staircase, ascending to the second level where a central activity room and a study nook provide the perfect space for family interaction. The master suite offers a heavenly retreat with a 6-star resort feel and is fitted with a walk-in robe, dressing room, and spa ensuite. Remaining bedrooms also feature walk-in robes, ensuring ample storage space, while the main bathroom reflects breathtaking high-end inclusions. Offering a family sanctuary in an ideal location, this premium "Montague 40" Carlisle designer home comes with an oversized remote-controlled double garage with internal access, security cameras, alarm system, ducted heating/cooling, a water tank, and bamboo/carpeted flooring. Situated in the exclusive Sunbury Fields Estate on a generous corner allotment close to Spavin Lake, Kismet Creek nature trails, playgrounds, leading schools, Sunbury township shops/cafés, train station, cinema, and sports/recreation facilities - this dream luxury home is move-in ready, with all the hard work already done for you to provide an exquisite living experience.
