For the those in search of the complete package of high-end luxury, chic contemporary style and the ultimate indoor/outdoor easy-care lifestyle, then this custom-built, near-new home showcases the absolute best of everything! Designed and built without compromise, as soon as you step inside you are immediately impressed by the cutting-edge interiors, oversized and intelligently planned layout, and superior finishing touches that set this home apart. A wide entry hallway, leads to the expansive open plan living area, where feature Velux skylights, gorgeous timber-look tiled floors and a beautifully finished fireplace combine to a wonderful place for everyday family living. The designer kitchen is a real show-stopper, with sleek matt-finish cabinetry, high-end appliances, a very functional walk-in pantry and a huge island bench which is perfect for entertainers. With a real focus on indoor/outdoor living, this area opens seamlessly out to a large covered alfresco entertaining area and a large, completely level, private and beautifully landscaped backyard, to provide a great space for those looking to enjoy the outdoors or have kids that want to run around. Back inside, there are multiple extra living zones and four oversized bedrooms. To the front, grand master bedroom suite has a boutique hotel feel. Set away by itself, it offers a sanctuary away from the rest of the home and features a cleverly designed WIR and luxurious ensuite that is sure to impress. The adjoining media room is a great size and is the perfect space to escape to watch a movie or sporting event in peace. At the far end of the home, in its own wing, you'll discover three further very generously sized bedrooms that are serviced by their own lounge/rumpus area, study zone and a spectacular, one-of-a-kind family bathroom. Finished with floor-to-ceiling tiles and an edgy design, it offers total functionality with its clever three-way design and wow factor with its superior quality finishes. Offering a level of quality and numerous additional features such as wide side access for to boat/caravan, ducted-air and solar power, nothing about this home is standard. New homes offering this impeccable finish and clever one-off design are extremely rare, so book your early inspection to avoid missing out. Features include:- Wide open hallways and high ceilings create a feeling of space- Well-designed and free-flowing floor plan, would suit families and empty nesters alike- Beautifully landscaped gardens front and back- Double garage with massive side access for the boat of caravan
