Powerhouse Road is where everyone wants to be! With good reason too, the lifestyle of living 3 min from town, with great space for walking, riding, swimming and plenty of room to enjoy country living is just what most people dream of! This property has plenty of potential with a large home set to the front of the block that boasts 5 bedrooms + an office, and 1 bathroom. Given the size of the home already, the office could easily be transformed into an ensuite, as it already joins one of the bedrooms. The large central living room is spacious and family friendly with corner kitchen overlooking the room. The back deck makes a perfect space for afternoon drinks, with full shade for most of the day! There is a few sheds, but one main shed that can house several cars or all your tools - the property will be solid clear of all possessions shown in the photos. There is a bore with brand new pump down it, and full high fencing around the boundary - You could really make this place your forever home with your personal touches!
