\$1,715,000

Embracing a spectacular design that ensures entertaining is easy, this poolside home brings together the allure of indoor and outdoor spaces with sensational Dandenong Ranges views and favoured placement in the Mount View Primary and Brentwood Secondary Zones (STSA). Secured beyond a gated entry, the home's layout unfolds to reveal a magnificent rumpus room with soaring vaulted ceiling, entertainer's bar and combustion fireplace, while sliding doors open out to the side and invite in fresh air. A generous dining area flows over polished floorboards and leads through to the kitchen and family room, while two paved outdoor entertaining zones are further supplemented by a pergola area that overlooks the inground pool and spa. A sweet treat for parents, the entire upper level of the home is reserved for the master bedroom boasting Dandenong Ranges views, along with a walk-in-robe and ensuite, while the remaining four bedrooms includes a guest bedroom with mirrored robe and dual vanity ensuite. Adding yet further appeal, the home includes a family bathroom with toilet, laundry, poolside 4th bathroom and sauna, ducted heating, split system air conditioning, under home storage/cellar, workshop/shed, double carport plus a caravan/boat parking space. Benefitting from a bus stop on your doorstep and only a short walk from Mount View Primary, near Brentwood Secondary, Wesley College, Caulfield Grammar, Jells Park, The Glen Shopping Centre, Glen Waverley Station and freeways.
