Offering a larger floorplan than most and sitting on a fantastic size parcel of land measuring 700m² (approx.) is this delightful triple fronted brick veneer home. Offering two separate living areas including a spacious formal lounge room and a comfortable size rear family room which overlooks the vast backyard. The comfortable size kitchen has been meticulously maintained and includes gas cooking facilities and an abundance of cupboards. Sleeping quarters are well catered for with three good size bedrooms serviced by a central bathroom at the end of the hall. Step outside to find a wonderful backyard featuring a huge four car garage, garden shed and lush green lawns for the kids to play on. Extra features include ducted heating, evaporative cooling, fully automated roller shutters, manicured gardens and so much more. Inspection is highly recommended.
