Step back in time with this unique property that once served as a Radio Shack during World War II and has since been lovingly transformed into a cozy and fully renovated home. With a history spanning over 100 years, this charming abode offers a glimpse into the past while providing all the modern comforts you desire. Features Include: * The property features two comfortable bedrooms, each equipped with split system air conditioning to ensure a pleasant night's sleep. The bedrooms also offer plush carpeting for added warmth and comfort. * The living area is adorned with vinyl flooring, creating a durable and stylish space for everyday living. * Gas Free-Standing Cooker with Electric Oven: The kitchen boasts a gas free-standing cooker with an electric oven, perfect for whipping up delicious meals. * Step outside onto the outdoor patio, where you can relax and enjoy the sea breeze. This delightful space is ideal for outdoor dining, entertaining, or simply unwinding after a long day. * Step into the cozy lounge room of this charming property, where comfort and relaxation await. * This generous 1012-square-meter corner block offers endless possibilities. You'll have the space to incorporate gardens, outdoor living spaces, or even a large garage or workshop. * Conveniently located across the road from the Keppel Sands Hotel, you'll have easy access to dining, socializing, and entertainment. * Enjoy the proximity to the beach, picnic area, playground, and public toilets, just a short 150-meter stroll away. Perfect for leisurely days by the sea. * A primary school is within reach, providing convenience for families with young children. * Explore the area's walking paths and take advantage of the nearby boat ramp for water-based adventures. This property not only offers a comfortable and historical place to call home but also provides a convenient and coastal lifestyle with its proximity to the beach, local amenities, and charming surroundings.
