Enjoying an elevated position, this quality home boasts gorgeous ocean views and a short walk or bike ride to Garrad Nature Reserve and Narrawallee Inlet. Ideal for working from home, the study is located adjacent to the foyer making it easy to welcome clients or work without disrupting the family. The home has been built using the finest construction methods including double brick and timber craftsmanship with beautiful parquet flooring featured throughout the living areas. On the lower level, there is a separate lounge and dining room with the family room opening out from the kitchen. All rooms have plantation shutters and offer plenty of natural light. The kitchen features Caesarstone benchtops, plenty of storage and electric appliances. Entertaining will be a dream with sliding door access to the covered entertaining area and a large backyard for the children to enjoy. Upstairs there are four generous bedrooms all with walk in robes, whilst the Master enjoys a huge ensuite with double vanity. Access the elevated covered balcony from the master suite where you will enjoy ocean views and a lovely north easterly breeze. There is also a living area on the upper level - perfect for teenagers or guests. The covered balcony runs the full length of the home and the views are absolutely stunning! The large DLUG has internal access to the mezzanine laundry and plenty of storage. Featuring well maintained gardens and a freshly sealed driveway, this lovely family home is set amongst quality homes in a quiet cul-de-sac and is ready for a new family with absolutely nothing to do apart from move in and enjoy the location!
