Offers over \$549,000

With large blocks proving harder to find and more sought after than ever - this generous offering will certainly pique your interest! Make yourself at home. At Shetland Place, it goes without saying you'll find a friendly neighbourhood of horse loving enthusiasts! There's room either side of the road to take the horses for a stroll and the equestrian centre is just a few hundred metres down the road. On almost 5,000 square metres this one is a bit of a blank canvas. Open and inviting from the front, there's room for three vehicles in the garage and shed and plenty of extra room for parking when you're having a gathering. Extra wide access on both sides means you have the luxury of driving anything you like down the back and you don't have to worry about turning room! As large as it is, the gardens are simple and easy maintenance with little to do but run around on the ride-on! The house is bigger than it first looks with a spacious front living and dining combination that allows breezes to flow from the front to the back. The full-length patios front and rear give you a place to chill outside any time of day too! The kitchen has plenty of space and enjoys a view of the back yard as well as a gas cooker and plumbed fridge space. The bedrooms are all tiled and are fitted with dimmable LED downlights and modern fans. Surrounded by neighbours that have a love of the outdoors, properties like these allow you room to expand and enjoy just about any hobby you could like! We love the tranquil setting and know you will too. We look forward to meeting you here this weekend. * Large two bay shed plus a single garage* Upgraded LED lighting and fans* Acreage living* Close to major amenities* Patios front and rear!
