A masterstroke of design and indoor-outdoor interaction, this bespoke 4-bedroom residence presents a form as bold in appearance as it is in its lifestyle offering, leveraging key contemporary influences in its unique single-level design to materialise one of the area's finest homes. A distinctive frontage opens to a home of equally impressive individuality, unfurling across two expansive living spaces with innate alfresco connectivity. A solemn formal lounge to the front of the home opens into an expansive family and dining area with soaring ceilings, zoned by a Technika kitchen with a 45-degree island counter, ready for the incoming housewarming party with family and friends. An adjacent covered terrace enhances the entertaining experience further with provisions for cafe blinds, opening to a huge rear yard with a storage shed and plenty of space for the kids to thrive. Zoned accommodation encompasses four immense bedrooms, including the main bedroom with a stylish ensuite and a dressing room. Additional finishes include evaporative cooling, ducted heating, a rainwater tank, gated rear access, a double garage, and a family-oriented location within close proximity of both primary and secondary schools, Hastings V/Line Station, High Street shops and cafes, Pelican Park Recreation Centre, and Hastings foreshore.
