Give your family the perfect place to call home with this exceptional property. Combining size, layout, features, and an ideal location, it has everything you could wish for. Nestled in the highly sought-after area of Forest Lakes, this impressive home offers privacy and seclusion as it is set back from the street. Situated on an approximately 843sqm block, opposite a stunning park with kids' play equipment, ensuring your whole family will fall in love with it. Built in approximately 1999, this spacious family home features three separate living areas for your enjoyment. The heart of the home consists of a well-appointed kitchen, meals area, and family room. The kitchen boasts a shoppers entrance, gas cooking, dishwasher, and a built-in pantry. As you enter, you'll find a separate lounge and formal dining area, while the games room provides additional living space for entertainment. The master bedroom is generously sized and offers a parents retreat, built-in robe, and an ensuite bathroom. The minor bedrooms are also spacious and include built-in robes. Additional features of this property include ducted evaporative air conditioning, a gas bayonet, and fresh paint throughout, creating a comfortable and inviting atmosphere. Step outside, and you'll discover an ideal entertaining area. A large patio overlooks the impressive backyard, perfect for hosting gatherings. The kids will be thrilled with the below ground swimming pool, while the parents can relax and enjoy a glass of wine or beer under the gazebo. Ample parking is provided with a secure double carport, and the long driveway. This property offers the ultimate family living experience. Don't miss out on this incredible opportunity!
