With an emphasis on lifestyle this beautifully crafted absolute waterfront was recently completely renovated by sought after master builder; Ryan Stidwell. You will love hosting here from small intimate dinner parties to larger soirées. The magnificent indoor/outdoor balcony overlooking Pittwater has been designed to be used on a daily basis, with year-round comfort no matter the weather. It's such a cool entertaining feature. Boaties will rejoice in the sheltered position with boatshed, goods inclinor, huge waterfront deck and a pontoon large enough for 3 boats. Bonus of being on town water which is very rare for offshore properties. Friends can easily visit with ferry access nearby. The kitchen is a chef's dream and is well appointed with Miele, Gaggenau, and Wolf appliances and it also features striking New York marble bench tops. Accommodation is well appointed and luxurious, with ducted air-conditioning and a cosy open fire. This is a property with faultless attention to detail. In one word this home is "Divine", and your inspection is a must.
