For those who appreciate elegance, this grand dame at the top of the court offers a complete sense of grandeur. Rich in light and space, the high rising family home lets you gaze across the mountains from its upper level, with a retreat at the top of the stairs providing the perfect viewing platform. Beyond the dramatic front entry hall, main living moves you seamlessly across the ground floor, offering 3 separate living areas of lavish proportions. Elegant French and bay windows, an open fireplace in the rumpus and garden views from the kitchen present design details that add to the lifestyle credentials of this grand abode. Of the 5 bedrooms, one sits on the ground floor next to the powder room, while the palatial master bedroom suite claims a spectacular street facing aspect to take in the beautiful mountain backdrop. Summer entertaining is a breeze with a lovely big backyard – with cricket sized lawn and a paved area perfect for an outdoor dining table. It's the perfect family setting to make memories in, from an elevated court close to St Justin's Catholic Primary, Mulgrave sporting reserve, Wheelers Hill Shopping Centre and popular walking tracks across the Dandenong Valley Wetlands and Jells Park.
