Possibly the last untouched great waterfront opportunity on Williamstown's iconic The Strand, this largely original and classically chic, 1960s, 3-4 bedroom residence is perfectly oriented to frame the most stunning views across the Bay to the towers of the CBD. Destined for greatness and yet comfortable for today, this is a home that allows you to live in comfort while finalising your plans for a rewarding future (STCA). All sitting on approx. 412sqm of land! • Surrounded by breath-taking examples of leading-edge architectural excellence, this really is a once-in-a-lifetime opportunity on Williamstown's most iconic waterfront strip. • A central kitchen / meals is well designed and semi-attached to dining and a fireplace-heated lounge room where the views are the absolute star of the show. • Upstairs and equally spectacular, a sun-drenched terrace is geared for unforgettable entertaining, again with the water and the city as its backdrop. • Upon entering the home, a spacious entry can be used as a sitting room, plus there is a studio / possible 4th bedroom that can readily have its independent entry reinstated. • Also features 2 bathrooms, ducted heating, built-in or walk-in robes in the upstairs bedrooms, as well as a lock-up garage with driveway parking for another 3 vehicles all set behind delightful front gardens. • Walk easily to all the cafes, eateries and bars that make The Strand such an attraction, plus you have even more cafes and shops on Douglas Parade and Ferguson Street, as well as easy access to Westbourne Grammar School.
