Appreciate the balance of vintage charm and timeless class found within the captivating 3 bedroom tuck pointed brick Californian Bungalow. Retaining the century old character of 3.3m approx. ceilings, Baltic pine floorboards and leadlights, this impressive classic is welcomed by a sun filled verandah in glorious garden beauty, while featuring a superb entry hallway with timber fretwork, 2 huge front bedrooms with built in robes, a beautiful living room, a sizeable 3rd robed bedroom and a marble bathroom. The pristine modern kitchen (stainless steel appliances and walk in pantry) overlooks the casual open plan dining area, while a sandstone paved setting gives you space to dine alfresco style amongst the leafy serenity of the peaceful rear garden (external laundry and 2nd toilet). Well appointed, this captivating home has ducted heating, evaporative cooling, a garden shed and a carport on a long driveway. Opposite Camberwell Girls' Grammar School, a heartbeat to the Burke Road tram and close to the Anniversary Trail, a choice of prized schools and vibrant Camberwell Junction with its Sunday Market, train station, clothing stores, major supermarkets, fine cafes and fabulous restaurants.
