With its extensive space and exquisite contemporary style, this Carlisle-built 4-bedroom plus study stunner marries its near-new elegance with the comfort and functionality a dynamic, growing family craves, delivering a family-centric sanctuary with unmatched entertaining prowess. An eye-catching facade opens to a dual-lounge ground-floor layout with high ceilings, premium window furnishings and a collection of formal and casual living spaces, perfecting a balance of sublime relaxation in the fireside family room and leisure in fully-fitted theatre space. Gourmet ease is found in the stone waterfall kitchen and its walk-in pantry, opening through stacking doors to an enclosed alfresco kitchen and a sunbathed environment primed for year-round entertainment. The accommodation sits atop the upper floor, complete with a walk-behind dressing room, a balcony, and a twin-vanity ensuite, with three additional bedrooms boasting built-in wardrobes around the third living space/kids rumpus room. A commitment to comfort is furthered with a downstairs bathroom, a 6.0m (approx.) workshed, refrigerated heating/cooling, an intercom and CCTV system, a double garage, and a premier Mosaic Estate position, moments from public transport, Costco, Epping Plaza, excellent schools and city-bound freeway access.
