This property will be sold subject tenancy till May 2024. It's hard to get much closer to one of the state's top ranking public schools. This 'golden oldie' 3-bedroom brick veneer is just a 2min stroll away from Vermont Secondary College - which means if you're a student you can take full advantage of the sleep ins. At the other end of the street is Bellbird Dell Reserve, adding to the location's appeal on the fringe of the bushland sanctuary which will connect to the planned \$10million Healesville Freeway Reserve and its 35 hectares of parkland. Inside, the home offers bright living space, a neat bathroom and kitchen, and a versatile sunroom as a second living area. The gated rear yard includes a covered BBQ area and a garage as part of the 539sqms (approx.) rectangular block, with potential as a dream site to build on (STCA) in this treasured part of leafy Vermont - surrounded by schools, parks, transport connections and shopping and dining at Vermont South, Brentford Square, Westfield Knox and Eastland.
