ONLINE APPLICATIONS ACCEPTED PRIOR TO VIEWING Due to the number of applications being received given the current market conditions, we have changed the way in which the leasing process is undertaken. If you are interested in this property we recommend that you apply online by going to <https://app.tenantooptions.com.au/>, creating a renter account and applying for the selected property. We are still conducting home opens, however we do recommend applying prior to avoid disappointment as most properties are being leased to pre-approved applicants before the first home open is scheduled.
