A statement in style is this wonderful family home. This contemporary family home offers bright open plan living over two levels with four bedrooms and study. The stunning kitchen adjoins the dining area which overlooks the timber deck. The quality of this property is evident by the fit out of both bathrooms. The landscaped backyard enjoys a sunny aspect whilst vehicle access is possible through the double garage. The appeal of this fine home is enhanced by its convenient location being an easy walk to train station, schools, shopping and beach
