Guide \$1,990,000

Neighbouring a reserve with playground, near the DFO Outlet Mall and easy accessibility to North Strathfield's Bakehouse Quarter, rail and future Metro make this five-bedroom home a hot prospect for young families. It boasts a fresh new look since last sold including renovations to the kitchen and bathrooms, has plenty of flexibility and combines a deep backyard with a deck, courtyard area and rooftop terrace for entertaining. The amount of space here is impressive, while the proximity to the facilities of Olympic Park, shopping hubs, quality schools, major transport and arterial roads connecting the area to most points of Sydney further heighten lifestyle appeal.- Fresh paint, floorboards, plantation shutters and ducted air con- Open plan living-dining, lounge, island kitchen and upstairs study- Up to five bedrooms including ground floor master with ensuite- Two of the bedrooms share a side balcony overlooking the park- Large courtyard area and entertainment terrace above garage - Level rear garden with covered deck and storage shed/workshop - Ducted air conditioning, parking includes wide auto lockup garage
