Idyllically nestled within beautiful tranquil northwest-facing garden and pool surrounds, this sensational architecturally designed contemporary residence's impressively proportioned and zoned dimensions have been refurbished throughout with inspired designer style. Peacefully set behind a landscaped garden oasis, the generous entrance hall becomes a glass gallery flowing between two gorgeous lush courtyards culminating in a magnificent formal room with a roaring open fire. The designer kitchen boasts marble benches, 90cm Ilve oven, gas cooking, walk in pantry and a light-filled dining area. The expansive living room and dining area open out to the north-oriented private landscaped garden with solar heated pool and spa, extensive covered terraces and a fabulous BBQ kitchen pavilion with bi-fold servery windows opening to the terrace. ****To Inspect**** Please refer to the listed inspection time/s.
