\$815,000

Located in a sought-after pocket of Wyoming with amazing views over the valley this light and airy home is presented beautifully both inside and out. The extensive covered outdoor entertaining is simply fabulous – plus there is a firepit zone and landscaped gardens – all the hard work has been done here!- Three bedrooms, all with built-in robes, the master featuring double sliding doors to the front balcony.- Spacious living room with new spit system air-conditioner and warming combustion fire.- Separate meals area off the kitchen both overlooking the rear entertaining space.- Enormous covered entertaining area with pool table. - Downstairs is an open area, perfect for a home office/craft room or even a second tv room, the laundry is located off this room and there is internal access from the single garage.- There is a second driveway access with gate – perfect for trailers/boats/etc.- Large original bathroom with bathtub, shower and separate w/c.The home's location is ideal. Being set high it captures the North/South summer breezes, while the afternoon vista of the sunlit distant mountain is enchanting. This property won't last long – ensure you view today!
