Delightful Clinker brick personality, situated on a large picturesque allotment, with stylishly renovated modern spaces and a superb lifestyle setting provide an impeccable set of family credentials moments to Oakleigh Station, Monash University, Sacred Heart and all the lifestyle attractions associated with the shops and cafes of Eaton Mall. Behind a charming traditional façade, elegant decorative ceilings, timber floors and picture rails adorn lounge (gas log fireplace) and dining rooms that lead into a bespoke modern stone kitchen. 3 bright robed bedrooms follow with a designer dual vanity bathroom and separate study. At the rear, a superb deck and spacious garden creates a beautiful entertaining environment whilst ducted heating, central air conditioning and tandem garage enhance consummate family comfort. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
