Located on the Eastern edge of Tenterfield and only minutes to the CBD is this C2010 American Barn style home on a landscaped 1 hectare block. Comprising 3 bedrooms, main with WIR and new ensuite with walk in shower, vanity and toilet, open plan living including a modern kitchen with gas range, canopy rangehood, pantry and ample storage, dining and lounge with new combustion heater and timber floating floors.. This opens out onto a large undercover and semi enclosed east facing patio with endless rural views. Lead lighting has been used extensively throughout the home. There is a combo bathroom/laundry and toilet with storage cupboards, it is double insulated and all lighting was installed as 5 watt low voltage and uses minimum power. Included is 4 poly water tanks, an Ozzie clean septic plant and a 2kw back to grid solar system. The property also has a 9m x 6m lined & insulated workshop/studio/office with power and ceiling fan and includes garden maintenance storage. Car accommodation is provided by a 6m x 6m double carport. The yard is fully fenced into 2 paddocks. Call us today to arrange an inspection.
