Have you always wanted to be a part of the thriving Woodford and Bushfield communities and are looking for an entry level home that has scope to add your own personality? Look no further! Set amongst tall mature trees in a peaceful and serene setting, this brick, split-level family home presents as an ideal entry point into this ever popular area. The home boasts three bedrooms, all equipped with built-in robes, an open-plan kitchen/dining space, and a spacious living area that overlooks the backyard which extends to the Merri River. The bathroom features a shower, bath and toilet, complemented by a second toilet adjacent to the laundry (currently non-functional). Outside there is a double garage to the front of the house, a sizable front yard, a split-level backyard with garden shed, and a generously sized rainwater tank. While the home awaits a transformation to reflect your personal style, its proximity to Warrnambool's CBD, just minutes drive away, and a brief drive to Koroit make this location an ideal choice for a tree change.
