Guide \$1,100,000

Presenting a remarkably rare and perfect opportunity to build your dream home on a prime north to rear level land parcel (STCA). Conveniently located within walking distance to Montview Oval, Hornsby Heights Public School, cafe and bush walks. Rare flat block of land with perfect north to rear aspect. Block dimensions are approx. 17m frontage and 42m depth. Existing house, garage and shed ready to be demolished (STCA). Footsteps to 596 bus service to Hornsby train station and CBD. Zoning: R2 Low-Density Residential, not bushfire prone land. No easements, no significant trees to impact building. Please note that the property is to be sold in its current condition.
