Live the high life in this spectacular penthouse residence perched atop the landmark new "Soho" skytower in the heart of Burwood. A striking addition to the skyline delivered by Conquest, "Soho" stands as a shining testament to cutting-edge architecture quite unlike anything the rapidly transforming suburb has seen. Sculptural, organic and distinctly unique, "Soho" sets a new benchmark for design and heralds a new era for this cosmopolitan and well-connected inner west suburb. Crowning the spectacular building, this extraordinary two-storey penthouse is oriented to the north with panoramic unobstructed views that stretch to the city skyline and iconic arch of the Harbour Bridge. Visionary design and high-end finishes capture the essence of contemporary style with white Oak and Calacatta Oro as the hero of the interiors with walls of glass framing the vista and a choice of alfresco spaces ideal for entertaining. Strategically positioned between Burwood train station and Westfield, "Soho" is a fusion of visionary architecture and sustainable design offering the ultimate place to live, work and play just 10km to the CBD.
