Skyhomes are a class above the rest, with a unique collection of only 24 residences that redefine the meaning of luxury living. This skyhome offers an unparalleled experience, taking residents to new heights in terms of quality, design, and comfort. From the moment one steps inside, you are greeted with elegance and sophistication, with every detail meticulously curated to create an atmosphere of opulence. The expansive living spaces, high ceilings, and floor-to-ceiling windows allow for breathtaking panoramic views of the surrounding cityscape and swan river, bringing the outside world seamlessly into the home. Every aspect of the design was curated to create a space like no other offering an unparalleled combination of class and practicality. Internally, the impeccable craftsmanship stands out - Blackbutt timber flooring, cosy New Zealand wool carpets, and a gourmet kitchen positioned in the epicentre of the home, which is decked out with top-tier Kleenmaid and Fisher & Paykel appliance. As one enters the sunroom, the natural light streaming in through the large windows creates a warm and inviting atmosphere.
