This stunning 19th-floor apartment, nestled within the '33M' complex, offers panoramic vistas of the bustling cityscape. Featuring 2 bedrooms, along with the convenience of a garage, this immaculate abode is your ticket to CBD luxury. Inside, the spacious living area provides ample room for designated living and dining zones, while the stylish stone kitchen is equipped with stainless steel Miele oven and cooktop, complemented by a Fisher & Paykel dishdrawer. The second bedroom features built-in robes, and a quality bathroom offers generous shower space. For year-round comfort, the apartment is equipped with split system heating and cooling, while enhanced security is provided by the intercom system. Residents of 33M will enjoy exclusive access to a 31st-floor gym, swimming pool, residents lounge, sky gardens, and sun terrace. Ideally situated within close proximity to renowned institutions like RMIT University and the University of Melbourne, as well as popular destinations such as QV Melbourne, Melbourne Central, Lygon Street eateries, Carlton Gardens, State Library of Victoria, free tram services, and Melbourne Central and Parliament Stations.
