M Docklands Apartments, perfectly situated in the Docklands vicinity, are conveniently a brief walk away from Etihad Stadium and mere minutes from both Southern Cross Station and the Central Business District. For those who prefer not to walk, the Free Tram Zone along La Trobe Street offers direct connections to the CBD, the Harbour, and Harbour Town. The complex features two separate entrances and elevator setups, catering to both residents and hotel guests, which promotes a sense of privacy and exclusivity for long-term residents through the use of a residential-only lobby. Nevertheless, residents have the added benefit of accessing the hotel lobby, which provides direct linkage to the residential elevators. This grants easy access to the area's premier 5-star hotel restaurant and bar, Momami, situated within the complex. The M Docklands apartments stand out with their custom, modern design, embodying a unique mix of sophistication and distinctiveness. Every apartment is uniquely designed, with variations in size, layout, color scheme, and amenities. This specific two-bedroom apartment features spacious bedrooms with built-in wardrobes, a generously sized shower, and plenty of storage space. The layout includes an open-plan living and kitchen area, with a contemporary kitchen equipped with gas cooking and a dishwasher, as well as a separate European laundry, offering an ideal residential setup. Additionally, the apartment is fitted with split system heating and cooling for year-round comfort.
