Nestled high above what is Melbourne's fastest growing suburb, Sky One is the tallest suburban tower outside of the CBD, offering panoramic views across the surrounding suburbs. Its elegant curves and effortless dimensions are echoed by spacious floor plans and a suite of modern material elements that include premium appliance set among bespoke kitchen cabinetry, brushed tapware framed by floor-to-ceiling tiling, and hardwood timber flooring encased by crisp, square-set interiors. The free-flowing composition includes a master bedroom with WIR & ensuite and a secondary bedroom with BIR & bathroom configured around a striking sunset balcony. A wide-array of resort-style amenities includes a large pool, state of the art gymnasium, yoga studio, podium garden, billiards & games room, private lounge & dining spaces, and a rooftop sky garden. As an interplay of luxury and affordability, live in the heart of Box Hill's CBD, with bars, bistros, cafes, and multi-cultural cuisine at your doorstep, underlined by immediate access to Box Hill's comprehensive public transport network.
