BRUCE HIGHWAY FRONTAGE OF 169 METRES APPROX AND CORNER POSITION. You choose what you plan for this site with its prime location and very handy accessibility from a sealed side road. This site is 6,063 square metres and comprises two separate lots - one is approx. 3,970 square metres and the other is approx 2,093 square metres. This totals approximately 1.5 acres. You have a small mango plantation you can nurture - approximately 25 mature trees. The Council zoning is Local Centre which gives opportunity for a business use. This is opposite a major Bruce Highway junction with Collinsville Road, a mining and pastoral trunk road. Call us to enquire and grab the opportunity to make it yours.
