Its not very often an opportunity like this comes along. Located directly opposite Lake Guthridge is this three bedroom home has an open plan kitchen/living area with magnificent vistas over the front garden and lake with sliding glass doors leading to an outside sitting area. The spacious kitchen has a quality Miele oven, cooktop and dishwasher. A large walk in pantry provides plenty of storage space. The main bedroom has lake views, built in robes and split system. Second bedroom has built in robes and to the rear is the north-facing third bedroom/second living area that has built in robes, ceiling fan plus sliding glass doors leading out to the covered, paved outdoor entertaining area. The beautiful bathroom has floor to ceiling tiles, generous vanity, an extra large shower, separate bath and plenty of storage, all completed in a stylish colour scheme. A large lock up garage with workshop and access to the backyard takes care of the car and tools. A complete application is required prior to viewing this property.
