Defined by fantastic space, light and stylish interiors within an unbeatable lifestyle setting at the heart of Port Melbourne, this three-bedroom home is an inner-city dream. The free-flowing interior welcomes a superb blend of relaxed enjoyment and entertainment, as the open plan kitchen dining and living arrangement extends the living spaces to the private garden terrace through French doors. The kitchen provides gas cooking, great storage and breakfast bar for casual meals. Featuring two bathrooms and three spacious bedrooms, two provide ample accommodation, while the primary suite encompasses ensuite bathroom, private balcony and fantastic rooftop terrace to take advantage of the awesome north-eastern aspect and city views. Recently refreshed, the home fortunately benefits from secure garage parking for one, separate laundry and downstairs powder room, reverse cycle heating and cooling. Located within the Port Melbourne Primary and Secondary College catchment, minute's walk from Bay Street's shopping, dining and café culture, close to city-bound transport, South Melbourne Market, and Albert Park Village, offering the ultimate in lifestyle and location.
