If being surrounded by Melbourne's finest restaurants, boutique shopping outlets, theaters and all the finer things in life that the "Paris" end of the CBD is immersed in excites you but doesn't quite suit your budget then this is the apartment you have always been searching for! Like Carey from Sex in the City sometimes you have to sacrifice a little space to live among the luxury of the top end of the CBD! Featuring good sized living/ dining with loads of natural light from floor to ceiling glass windows, fully equipped open plan kitchen with stove top, microwave and dishwasher, good sized master bedroom with BIR and an abundance of natural light, spacious second bedroom also with BIR, central modern bathroom and views across the City! Building facilities include security entrance, on site building management, communal laundry, IGA grocery store, 24 hour security and a games/TV room! Comfortably furnished throughout with everything you need to call this place home! Well positioned, located close to RMIT University, QV Shopping Centre, China Town and public transport makes this an enviable location not to be missed. Rush to inspect - Being one of the the few larger and light filled apartments in this building it surely wont last long!
