Surrounded by mature gardens, including fruit trees and Australian natives, this beautiful home feels secluded from all around. Looking out, your eye is drawn to the amazing garden and liveable exterior space. Upon entering the property, you are greeted by the first of the external living spaces where you can sit under the private patio and enjoy your morning coffee. Stepping inside, a neutral and contemporary design is highlighted by the windows as light enters the large open plan lounge and dining area, all easily accessed by the kitchen. Two bedrooms and family bathroom, as well as laundry, complete the internal areas of the home. The most striking feature of the home is the timber-decked alfresco space, almost a room itself. Covered, you can enjoy the outdoors and the gardens all year round.
