Over 40 acres of rolling hills bordered by Burra Creek and Donalds Creek; this is a fresh water oasis! Huge spring fed dam catchment on the property also guarantees no shortage of water. There are multiple paddocks with reasonable fencing. A huge shed with sliding doors across the creek side, multiple watertanks and a 20ft shipping container will make storage and machinery shedding simple. There is a incomplete besser block structure which sits atop a large concrete slab. This has potential to be a new home site. The stunning Wamban Valley, Donalds Creek, Deua Valley region is known for great growing or grazing conditions. Please get in touch with any enquiries - Dawn Mason 0424 847 522.
