\$2,410,000

Commanding an elevated position on the street's high side, this beautifully revitalised home boasts an exquisite double-fronted exterior. Throughout its spacious master bedrooms, you'll find renovated fireplaces that exude an authentic charm. The elegance of its historical allure shines in the expansive living room and the formal dining room, which could also serve as a fourth bedroom, leaving an indelible mark on observers. Discover a pristine stone kitchen adorned with tessellated tiles, seamlessly transitioning into the ample dining space that offers views of the secluded outdoor entertainment area and rear garden.

Key Features: Three bedrooms, two featuring charming fireplaces
Master bedroom with veranda access
Spacious living room featuring a fireplace
Formal dining room convertible to a fourth bedroom, complete with a fireplace
Brand new kitchen with a Caesarstone countertop
Generous dining area
Period style bathrooms
Expansive rear pergola
Deep rear yard
Carport accessible via a side driveway
Land size: 468 sqm approx.

Summary: A fully revitalised residence boasting an enchanting facade and delightful interiors reminiscent of a timeless era. Conveniently located mere moments away from prestigious schools, verdant parklands, as well as Ashfield and Summer Hill Stations.
