\$2,675,000

Live large in this brightly updated five-bedroom, three-bathroom plus studio home zoned to Northcote High. A commanding presence in a premier locale, this home and its extensive living zones comprising lavish living and dining, an upstairs retreat, study/fifth bedroom plus a versatile studio offering options as a home office, provides the common spaces families love and private living domains they crave. A gourmet kitchen with a brand-new oven and Miele dishwasher links to the deck and alfresco gardens offering easy summer entertaining, bedrooms share stylishly updated bathrooms, balcony offers city views, there's, heating/cooling, double garage with remote plus carport via ROW. Central to High Street and Fairfield Village, near schools, transport and Johnson Park, inspection will impress.
