Sorry, this one is sold already and was snatched up faster than we could imagine, with the first lucky buyer seeing its potential and making an offer the same day. It was built back 1935, and retains some of its original features but is in need of some upgrades. It has two spacious bedrooms accessible from the hallway, a cozy lounge room, a central kitchen, bathroom, laundry, and a convenient sleep-out. Northam is a place where block sizes more generous than those in Perth, this property offers a generous 1222sqms to play with, not to mention the rear street access that adds an extra touch of convenience. If you missed out on this one why not reach out to Lara Turnbull at 0437 225 793 or Steve Hill at 0407 778 462 and see if they can help you find something similar.
