THE DEAL: Expressions of Interest

THE DEAL With a sophisticated fusion of contemporary finishes and period elegance, this renovated 4 bedroom, 2 bathroom home stands as a testament to thoughtful design and attention to detail. Enclosed by an electric gate and nestled amidst mature trees, the property exudes a sense of private sanctuary from the first glance. The heart of the home is the open-plan living, kitchen and dining area, complimented with floods of natural light. A bespoke kitchen, the epicenter of culinary creativity, features luxe Carrara mist stone benchtops, brushed brass tapware and custom 2pac cabinetry that harmonizes with top-of-the-line appliances, including a Fisher & Paykel dishwasher and a Smeg freestanding gas oven. Wainscotting details guide you through hallways, unfolding into spacious bedrooms where the blend of comfort and style continues. The bathrooms, accentuated by Highgrove fixtures and mosaic tiling, serve as refreshing retreats within the home. Outside, the front garden is a canvas of green space, complemented by robust Blackbutt decking, perfect for soaking in the sunshine or dining al fresco under the open sky. The residence is rounded out with practical luxuries such as a Wi-Fi-enabled sprinkler system, solar panels for sustainable living, and the convenience of high-speed fibre internet. This home is more than its parts; it's a cohesive creation where design and detail work in concert to elevate your daily living to an art form.
