Price Guide \$840,000 to \$870,000

Offering total wow factor, packed with charm and with an emphasis on free-flowing indoor/outdoor living and stylish, finishes, this totally renovated single level cottage is sure to impress. On entry, the original timber floors and high ceilings are a real focal point. The open plan living area adjoins the new kitchen with gas cooking, dishwasher & twin sinks. There is a second living area and/ or dining room at the rear of the home, which opens through wide stacker glass sliding doors to the covered private alfresco entertaining area. At the front of the home, you will enjoy the East facing front balcony. The four bedrooms of accommodation are a good size, with new carpet, built-in-robies in each and an ensuite bathroom to the master bedroom. This home is the perfect solution for someone wanting low-maintenance living in East Port. Close to Town Beach, with transport opposite and Hill Street shops only a few doors up, you will appreciate the perfect corner position. Additional features include: - Gas cooking and heating - Air-conditioned living area - Ceiling fans - All new glazing throughout - European laundry - Garden sheds - Off street parking for caravan, motor home or additional vehicles
