For those craving a peaceful oasis without compromising convenience, this stunning home has it all. This property was designed for families wanting space and to cater for a relaxed 'on holiday' lifestyle. This home reveals exceptional connectivity between the indoor and outdoor spaces, with a choice of multiple living areas for moments of peaceful reflection and large covered entertaining areas overlooking the tropical pool all in beautiful Highfields. Features include - Family kitchen, designed with an effortless combination of style & practicality in mind featuring stone tops, dishwasher and double ovens. The master bedroom is the ultimate parent's retreat, offering all the luxuries you could imagine, walk-in wardrobe, and a large ensuite + access to the outdoors. Three internal living areas - Casual living/dining, media room (or 6th bedroom with ensuite and walk in robe) + large family room. Family bathroom with separate toilet perfectly positioned to cater bedrooms 2 - 5. Powered 10m x 7m shed with 3 roller doors + studio area sure to please any handyman or home business. Additional double carport. Pool house overlooking the large, heated pool. Extras - Air conditioning, rainwater supply, fully fenced with remote gate on entry, heated pool. If you are looking for a spacious home with all the extras, walking distance to local shopping, schools and sporting grounds look no further. This property also offers a quick 15-minute drive to Toowoomba CBA, so if it's ticking your boxes promote this property to your inspection list and enquire today!
