An experience of bespoke interiors and relaxed family friendly sophistication, this exquisite property defines premium modern living. Constructed with meticulous attention to detail circa 2022, the home features double brick construction and a concrete slab both upstairs and downstairs, reflecting the quality and integrity of the property. Step inside the stately contemporary façade of the home to find expansive internal living spaces perfect for both intimate gatherings and grand events. Soaring high ceilings adding an air of openness throughout the home, with cleverly positioned windows basking the interiors in natural light and offering seamless connection to the outdoors. At the heart of the home is the designer kitchen, equipped with high quality appliances, extended stone benchtops and complimented by ample storage and space for the distinguished home chef. The living and dining areas flow to the expansive west-facing alfresco area, which offers a front row seat to magical sunsets. Steps lead down from the outdoor dining area to a private and level landscaped backyard, perfect for pets and children to play. A fifth bedroom downstairs with private verandah is an ideal space for parents or houseguests. Upstairs, retreat to four luxurious bedrooms offering a sanctuary of comfort and privacy for every member of the household. Each bedroom boasts a built-in wardrobe, with an ensuite and walk in robe in the generous master suite. Set on a quiet street with the convenience of easy access to shops, quality schools and the M5, this home combines sophistication, luxury and entertainment to elevate your lifestyle.
