Between the City and the Surf

This is a two-storey home that ticks all the boxes – from the quality construction and stylish design to the dream positioning at the rear of a quiet complex in a central Innaloo location.

Boasting four bedrooms and a clever, functional floorplan over two storeys, this stylish residence is well built and immaculately presented. It's tucked away in an extremely quiet and well-kept complex with friendly neighbours.

The interior of this home welcomes you in with high ceilings, natural light and modern fixtures and fittings. Designed over two floors, the home boasts four generous bedrooms, two bathrooms, an open-plan living area, and a big, contemporary kitchen opening out on to an outdoor terrace with low-maintenance gardens.

With easy access to Scarborough Beach Road, the Freeway and Stirling Train Station, this great property is ideal for those who want to live close to both the city and the sea. It feels quiet and secluded, yet is extremely close to both Karrinyup and Innaloo shopping centres, as well as IKEA. Plus, it's surrounded by beautiful parkland nature reserves, with easy access to nearby Scarborough Beach.
