This stylish town residence enjoys bold contemporary style and unrivaled convenience, positioned opposite the beautiful parklands and Merri Creek walking trails adjoining the Coburg Lake Reserve, moments from Sydney Road trams, and a 2 minute walk to Mercy College. The multi-level design incorporates a spacious main living area, adjoining open plan kitchen/meals with stainless steel Smeg appliances, stunning marble benchtops and balcony access where you can enjoy beautiful treetop views over the surrounding area. Vaulted ceilings create a grand sense of spaciousness, and polished timber floors ground the living zones. The first floor also accommodates a bedroom and full bathroom, while downstairs, two additional bedrooms include the lavish master suite with a fitted walk-in robe, and gorgeous ensuite featuring a walk-in shower, dual vanities and separate bathtub. The master also has private access to a decked and covered courtyard at the rear. A Euro laundry is conveniently tucked away, and there's additional storage under the stairs. Finishing touches include split system heating and cooling ensuring year-round comfort, and there's a lock up garage with shelf storage, additional off-street parking, and gated side access to the courtyard. Delivering lifestyle convenience in Coburg North's most stylish pocket, just 10km from the CBD, the location speaks for itself, with Batman Station, Coburg Olympic Pool and kinder/childcare facilities all very close by, as well as easy access to the Pentridge shopping and dining precinct.
