This charming property is a canvas awaiting your personal touch. Whether you're inclined to embrace the retro vibes or embark on a creative transformation. The upper level boasts a spacious master bedroom complete with a balcony, ensuite, and a walk-in robe. Bedroom 2 features built-ins and there's even potential to configure the space to accommodate either four bedrooms or convert bedroom 3 to include a walk-in robe. The living area is generously proportioned, featuring a slow combustion fireplace and a built-in bar, making it the perfect spot for entertaining. In its heyday, you could easily picture a pool table taking centre stage here. The kitchen offers ample cupboard storage and is conveniently adjacent to a dining area. Outside, you'll find ample parking space and a substantial amount of shed storage. Don't miss out on this opportunity!
