An opportunity exists to purchase this blank canvas of 428 sqm in the heart of Trentham. With a picket fence, farm gate and large established trees to welcome you, this beautiful homesite is hard to resist. Positioned on the site is a small studio, built with country cottage charm. Insulated and with the option to connect to power, this could be the perfect home office. To complete the country lifestyle, grow a lush veggie garden in the rich volcanic soil Trentham is known for. Turn this beautiful location into your dream home, country weekender or investment opportunity with all services including mains power, water, sewerage and NBN available. Trentham is renowned for its art and culture experience, as well being a foodie destination with many cafes and restaurants including Annie Smithers "Du Fermier", the Cosmo Hotel and the unforgettable Red Beard Bakery. Just under an hour to Melbourne, 20min to Woodend, Kyneton and Daylesford there isn't much more you could ask for.
