Stand apart in single-level style with twice the living, double the privacy, two-plus garaging...and more! A prestige single-level standalone opportunity on a prized parkside crescent, this two bedroom, two bathroom, dual zone home offers more at every turn with super-sized car accommodation and a sunny northerly entrainers' courtyard wrapping two sides! Cleverly accommodating with bedrooms zoned front and rear (each with a glossy private bathroom or ensuite), this outstanding home shines with a spot to relax by the gasfire in a quiet formal lounge, room to lounge and dine in a sun-drenched casual zone, and a sunny place to entertain on an elevated terrace. Presented in glossy style with a granite-benchtops for the prestige appliance kitchen, and polished-porcelain bathrooms, this quality home features solid hardwood floors, zoned climate-control, an alarm, and abundant storage including built-in and walk-in robes. Best of all, this plus-sized home offers space for at least four cars with an oversize double auto-garage plus parking on a wide driveway. Set amongst the area's most impressive homes, just half a dozen doors from the sports ovals and playground at Peterson Reserve, this standout standalone is a walk across the green space to the Highett Rd bus, a stroll to local shops and supermarket, and within equally easy reach of Sandringham's village and Highett's latte strip - and their stations.
