This almost new, street-fronted townhouse is located at the entrance to a quiet court, in a well-established, leafy area, ensuring peace and quiet for the occupant. Inside, there's an open-plan kitchen/lounge/dining area, that opens out to stylish covered decking (with cafe blinds) and a generous private garden. Upstairs, the master bedroom (with dressing area and BIR's) and second bedroom (also with BIR's) share a spacious ensuite bathroom, plus study nook. With reverse cycle heating & cooling throughout and remote control lock-up garage, this is a property that you will look forward to coming home to at the end of a busy day.
